Vision Statement

“THE VOICE OF THE NIAGARA CONSTRUCTION INDUSTRY”

The Niagara Construction Association (NCA) is a non-profit organization established in 1952 to represent the interests of the commercial and industrial construction industry within Niagara and the Golden Horseshoe. Members include General and Trade Contractors, Manufacturers, Suppliers, Architects, Engineers and Professional Affiliates.

The Board of Directors is actively involved in the Association's activities and works with professional staff to ensure members receive industry support, education, advocacy, value and a return on their investment.

The NCA is a proud innovator and first adopter when it comes to programs and initiatives that help advance the construction industry and strives to build constant support and services for its members.

The NCA is the leading resource for the Niagara and surrounding construction industry and works diligently to cultivate and maintain its membership base.

Strategic Priorities 2024-28

Women in Construction

Promoting the construction industry through networking, mentorship, support, and education

Nominate Your
YOUNG LEADERS
Leading the Construction Industry Forward

If you are:

- A young person working in or working towards a career in the construction industry
- Seeking an opportunity to network with others who share common goals
- Looking to be involved with a group of professionals to lead Niagara's construction industry in the future

This group of like-minded individuals is exactly what you've been searching for!

The Young Leaders committee will provide NCA members an avenue to grow. It will also encourage engagement and give young professionals a voice within the industry. A key part of its mission is promoting careers in construction to help combat local skilled-trade shortages.

This committee will also be open to students participating in any Construction Studies program, allowing them the opportunity to introduce themselves to their future peers. The committee will also offer several networking opportunities/events, professional development, guest speakers, and informational/educational sessions.

If you are an employer or know of an individual in the construction industry who may be interested, please forward this information to them.

Young Leaders

A group of young professionals leading Niagara's construction industry into the future

The NCA Young Leaders group is calling on creative minds to help shape its future identity!

This exciting contest invites participants to design a new logo that reflects the energy, innovation, and leadership of the next generation in Niagara's construction industry. The Young Leaders initiative brings together emerging professionals who are helping lead the industry forward through networking, mentorship, and collaboration.

Whether you're a student, designer, or industry professional, this is your chance to leave your mark and get involved with a growing community of future leaders.

- ONE UNITED VOICE

Federal & Provincial Representation and Lobbying

As a member of the NCA, members automatically receive membership with Canadian Construction Association (CCA) and Council of Ontario Construction Associations (COCA).

CCA provides us with national representation and lobbying on ongoing issues affecting the construction industry. CCA gives voice to the public policy, legal and standards development goals of contractors, suppliers and allied business professionals working in, or with, Canada's non-residential construction industry.

COCA provides provincial representation and lobbying; bringing the concerns of members to the attention of Queen's Park. They are committed to working with the government to ensure that Ontario's legislative landscape is one where our industry can grow and prosper.

Networking in the Digital Age

We're excited to announce the launch of the **Niagara Construction Association's official Discord community,** a new, dynamic space for our members to connect, collaborate, and stay informed in real time. Whether you want to ask us a question, network with fellow members, or stay up to date on NCA events and announcements, this community is here to keep you connected.

📱 **Accessible anywhere –** Discord is free and available on both mobile and desktop, so you can stay connected whether you're at the office, on-site, or at home.

💬 **Easy communication –** Chat in real-time with other NCA members, share quick updates, and ask questions without waiting for emails.

📂 **Organized channels –** Topics are separated into channels (e.g., events, industry news, resources), making it easy to find the info you need.

👷 **Community networking –** Connect directly with fellow construction professionals, strengthen relationships, and collaborate outside of formal meetings.

Q&A
Our seminars, presented by CCDC document authors, give attendees a unique opportunity to have their questions answered by those who know the contracts best.

Comments from past attendees
Don't just take it from us, see some of the feedback from our seminars:

- "I appreciated the presenter's willingness to answer questions. It made the experience more engaging and helped provide insight into potential interpretations. The real-life experiences and references were especially valuable and helpful." – Whitehorse, YK
- "I expected this to be boring, but it was quite engaging and interesting." – Toronto, ON
- "I really enjoyed this in person seminar. Hoping we have more of these." – Vancouver, BC
- "The presenters were very knowledgeable, and the venue was great." – Toronto, ON
- "A great, valuable session." – Red Deer, AB

Pricing and other perks
Price: $440 + tax

Discount: *Additional registrants from the same organization will receive a $100 discount.*

Registrants will also receive official copies of the five new documents — the approximate value of which matches the registration fee.

Who should attend?
This seminar will appeal to all stakeholders in the construction process, including project owners, consultants, contractors, and allied professionals.

Why attend?

- Learn from the experts behind Canada's most trusted construction documents.
- Network with fellow professionals in your field.

The NCA was pleased to host the **CCDC Progressive Design-Build Contracts Seminar** on May 5, 2026.

The session provided attendees with valuable insights into the latest contract documents and best practices, making it another successful professional development opportunity for our members.
