

The Town of Pelham is continuing to receive applications for building permits electronically through [building-info@pelham.ca](mailto:building-info@pelham.ca) and conducting building inspections. Requests for building inspections can also be made through [building-info@pelham.ca](mailto:building-info@pelham.ca) or by calling 905-892-2607 ext. 344. Currently planning review of applications is currently being undertaken electronically.

Pelham staff are maintaining social distance when conducting inspections and request that when they are going on a construction site to do an inspection that trades respect social distancing measures. Pelham is maintaining business continuity to the greatest extent possible.
