

YOUNG LEADERS

Leading the Construction Industry Forward

ARE YOU...

- ✓ A young person working in or working towards a career in the construction industry?
- ✓ Seeking an opportunity to network with others who share common goals?
- ✓ Looking to be involved with a group of professionals to lead Niagara's construction industry in the future?

IF YOU ARE...than this group of like minded individuals is exactly what you've been searching for!

Young Leaders will provide NCA members an avenue to grow. It will encourage interest and provide a voice within the industry. Promoting careers in construction to combat the local shortages in skilled trade workers being a key factor in their mission.

This group will also be open to Niagara College Students participating in any Construction Studies program. Allowing them the opportunity to introduce themselves to their future peers. Young Leaders will also offer several networking opportunities, professional development, guest speakers, and informational/educational sessions, as well as a Mentoring Program.

The Young Leaders actively organize and run the Annual Christmas Luncheon and Food Drive.
