

Residential & Commercial Construction Carpenter

Job Title: Residential & Commercial Construction Carpenter

Location: Niagara-on-the-Lake, ON

Job Type: Full-Time

Salary: Competitive Compensation | Based on Experience

Start Date: Immediate

Join a Team Built on Quality

Sente Building Group is a professional construction company specializing in luxury custom homes, premium renovations, and high-end residential and commercial construction throughout the Niagara Region. Our reputation is built on craftsmanship, professionalism, attention to detail, and delivering exceptional finished products. We are currently seeking an experienced Carpenter who takes pride in precision work and high-quality construction standards.

About the Role

We are seeking a skilled and reliable Carpenter to join our growing construction team. This position involves working on a variety of residential and commercial projects, including renovations, new builds, framing, finishing, and general construction work. The ideal candidate is detail-oriented, safety-conscious, and able to work independently or as part of a crew.

Responsibilities

- Perform framing, drywall, finishing, and general carpentry work
- Read and interpret blueprints, drawings, and specifications
- Measure, cut, shape, and assemble wood and other materials
- Install doors, windows, trim, cabinets, flooring, and other structures
- Operate hand and power tools safely and efficiently
- Maintain a clean, organized and professional job site
- Follow all workplace safety regulations and procedures
- Coordinate with project managers and other trades on-site
- Deliver precise workmanship with strong attention to detail
- Ensure all work meets Ontario Building Code and project specifications

Qualifications

- Minimum 2-5 years of carpentry experience
- Experience in both residential and commercial projects preferred
- Ability to read blueprints and construction drawings
- Strong knowledge of building methods and materials
- Valid driver's license and reliable transportation
- Ability to lift heavy materials and work in various weather conditions
- Strong work ethic, punctuality, and teamwork skills

Preferred Skills

- Experience with framing or finish carpentry
- Knowledge of Ontario building codes and safety standards
- Valid Working at Heights certification
- Valid WHMIS 2015 certification

What We Offer

- Competitive pay based on experience
- Steady year-round work
- Supportive team environment
- Opportunities for advancement and training
