RETURN ON INVESTMENT is the ratio of money gained or lost on an investment relative to amount of money invested. It is a measure of profitability of

The NCA is your ONE STOP SHOP for the Niagara construction industry. We advocate on your behalf, and just look at how you can increase your ROI below:

Case scenario of ABC Construction:

- needs approx. 5 Statutory Declarations signed per month @\$22 - Commissioning service is free for NCA Members therefore ABC Construction saves \$1,320 per year.
- needs to place an order for CCDC/CCA Documents. They purchased 100 CCDC 9 seals, 1 CCDC 2 registration number, 10 CCDC 2 seals, and 20 CCDC 11 seals. Member cost for this order was \$365 vs non-member cost of \$590, saving \$225
- attended annual Christmas Food Drive Lunch; 5 member employees registered, saving \$100
- advertises yearly in the NCA Trade Directory. One 1/4-page ad saves ABC Construction \$100 annually.
- referred a member to the NCA; saved \$100 on their renewal fee

ABC Construction's annual NCA membership fees are \$997; their above savings are significant with their NCA membership. (\$1845-\$997=\$848)
