The Niagara Construction Association (NCA) is a non-profit organization established in 1952 to represent the interests of the commercial and industrial construction industry within Niagara and the Golden Horseshoe. Members include General and Trade Contractors, Manufacturers, Suppliers, Architects, Engineers and Professional Affiliates.

The Board of Directors is actively involved in the Association's activities and works with professional staff to ensure members receive industry support, education, advocacy, value and a return on their investment.

The NCA is a proud innovator and first adopter when it comes to programs and initiatives that help advance the construction industry and strives to build constant support and services for its members.

The NCA is the leading resource for the Niagara and surrounding construction industry and works diligently to cultivate and maintain its membership base.

Strategic Priorities 2024-2025

ADVOCACY

Represent member interests to the government.

Information Sharing

Translate sector changes into operational guides.

Member Engagement

Create access to networking events in support of knowledge exchange.

Professional Development

Provide relevant education and training opportunities.

ROI
RETURN ON INVESTMENT is the ratio of money gained or lost on an investment relative to amount of money invested. It is a measure of profitability of

The NCA is your ONE STOP SHOP for the Niagara construction industry. We advocate on your behalf, and just look at how you can increase your ROI below:

Case scenario of ABC Construction:

- needs approx. 5 Statutory Declarations signed per month @\$22 - Commissioning service is free for NCA Members therefore ABC Construction saves \$1,320 per year.
- needs to place an order for CCDC/CCA Documents. They purchased 100 CCDC 9 seals, 1 CCDC 2 registration number, 10 CCDC 2 seals, and 20 CCDC 11 seals. Member cost for this order was \$365 vs non-member cost of \$590, saving \$225
- attended annual Christmas Food Drive Lunch; 5 member employees registered, saving \$100
- advertises yearly in the NCA Trade Directory. One 1/4-page ad saves ABC Construction \$100 annually.
- referred a member to the NCA; saved \$100 on their renewal fee

ABC Construction's annual NCA membership fees are \$997; their above savings are significant with their NCA membership. (\$1845-\$997=\$848)

Federal & Provincial Representation and Lobbying

As a member of the NCA, members automatically receive membership with Canadian Construction Association (CCA) and Council of Ontario Construction Associations (COCA).

CCA provides us with national representation and lobbying on ongoing issues affecting the construction industry. CCA gives voice to the public policy, legal and standards development goals of contractors, suppliers and allied business professionals working in, or with, Canada's non-residential construction industry.

COCA provides provincial representation and lobbying; bringing the concerns of members to the attention of Queen's Park. They are committed to working with the government to ensure that Ontario's legislative landscape is one where our industry can grow and prosper.

The **Niagara Construction Association Scholarship Award** is presented annually to Niagara College students to recognize their personal achievement in the Construction Engineering Technology program.

THE NCA WEEKLY BULLETIN

NCA Weekly News is a great source for members, where you can find information about upcoming events, news & training. This electronic newsletter provides you with summarized news from local, provincial and federal sources. Keep up-to-date on matters affecting your business!

The NCA Weekly Bulletin provides information pertinent to our local ICI construction industry, including projects out for tender – owner and contact information, addenda, mandatory meetings and closing date. Also included are RFP's, request for pre-qualifications and lowest bidder details for closed tenders.

No need to hire extra staff or re-assign (or drop!) important duties at your company...we collect all this information for you – all week, every week - as part of your membership.

COR WORKSHOP SERIES

Wednesday
March 19, 2025
8:30 am to 12:30 pm

In partnership with Daedalus Safety Group, the NCA will host a four-part series on the Certificate of Recognition (COR) program, which is a great way to ensure workplace safety standards are met and maintained. This series will cover important aspects of COR, such as auditing processes, safety management systems, and continuous improvement.

Introducing the first quarter - March 19, 2025. The entire four-part series is eligible for BCRSP CPD points and worth 5 GOLD SEAL CREDITS!

To maintain your NCSO designation, IHSA requires you to complete a COR audit - use this opportunity to get your questions about the COR audit answered. Stay tuned for the second quarter date.

QUARTER #1 Intro to the tool and AuditSoft

Element 1 - OHS Policy and Document and Record Control

- Purpose of the policy statement
- Who the statement impacts
- Components and key language
- Accessibility

Element 2 - Hazard Assessment, Analysis and Control

- Purpose of assessments and their relationship to other elements within COR
- The importance of differentiating between hazards and risks
- Key definitions, i.e., routine vs non-routine activities, "human factors" vs ergonomics, workplace vs job-specific, etc.
- Use of a standardized risk ranking system
- Assessments are NOT practices or procedures (controls)
- Establishing/ensuring competency for those who complete assessments

Element 3 - Controls

- Purpose of this procedure, and how this element differs from Element 2
- What are "controls" in the eyes of COR

Element 4 - Procurement and Contractor Management

- Purpose of this procedure
- Who qualify as "contractors"
- What if a firm is always a "subcontractor"
- What about subs who hire subs?

Cost:
\$25 Members
\$50 Non-Members
