PRESIDENT'S MESSAGE

As I move into the second year of my term as President of the Niagara Construction Association (NCA), I am proud of the progress we have made together. Our committees and staff continue to strengthen member engagement through initiatives such as membership spotlights, boot camps, increased networking events, and enhanced communication through industry insights and new platforms like our Discord channel.

Advocacy remains a key priority. Through our active membership with the Canadian Construction Association (CCA) and the Council of Ontario Construction Associations (COCA), we continue to represent and advance our members' interests at both the provincial and national levels.

I encourage you to explore our 2025 Year in Review to see the full scope of what we have accomplished on your behalf.

As we look ahead, we remain committed to working together to strengthen our industry through collaboration and shared commitment to excellence.

I look forward to another year of working together. Let's keep building.

Respectfully,

Melanie Patterson, CRSP

President, Niagara Construction Association, 2025-2026

GENERAL MANAGER'S MESSAGE

Dear Members,

It is our pleasure to introduce the 2026 Niagara Construction Association Trade Directory. This publication remains an essential resource for promoting your business and strengthening your visibility within the construction sector.

The directory is widely distributed to key industry partners, including architectural and engineering firms, general and trade contractors, manufacturers, suppliers, and service providers. This extensive reach helps position your company in front of decision-makers across the region and beyond.

We encourage you to take time throughout the year to review and update your listing, ensuring it accurately reflects your services as your business evolves. Your input is always valued, and we welcome any feedback that helps us continue improving this resource.

Since 1952, the strength of our association has come from the commitment and support of our members. Thank you to our members, Board of Directors, and staff for your ongoing dedication. We also extend our sincere appreciation to our advertisers for their continued confidence and support.

Best wishes for a productive, safe, and successful year ahead.

*Sincerely,
Karin Sheldrick
General Manager, NCA*

NIAGARA CONSTRUCTION ASSOCIATION'S

BENEFITS & SERVICES

WEEKLY BULLETIN & NEWS

Each week a list of projects out for tender, is sent by e-blast to members. This provides you with an overview of each project; closing date, addendum information, a list of those bidding, as well as the project contact for inquiries. This publication provides you with summarized local, provincial and federal updates to keep you up to date on those matters affecting your business.

PLANS COPIER:

Large format copying service at preferential rates. Allows trades/suppliers access to drawings without requiring additional sets to be run by architects/engineers.

LINK2BUILD ELECTRONIC PLANS ROOM (EPR):

No time to view plans? Looking for the last addendum before a job closes? Save yourself time and money and become a member of the EPR. View plans/specs through your computer 24/7 at your leisure. Print addenda, specs and plans from the convenience of your home or office.

CSP SERVICE – PUBLISH WITH US:

Flat fee of just \$199 per notice. Simple and immediate with on-line data entry & payment process. Instantly notify subcontractors/suppliers on the construction team that certificate is posted. Easily searchable and the original signed Certificate pdf is accessible for viewing. Proceeds go back to the partner NOT FOR PROFIT construction associations.

Visit us:<https://www.link2build.ca/certificates/publish-a-certificate/>

MEETING ROOM:

Hold your staff or client meetings in a well-appointed Boardroom or Classroom. Available on a reservation basis for a minimal fee.

SOCIAL EVENTS:

Annual Golf Tournament and Dinner, Annual General Meeting, Membership Appreciation Day & Safety/Member Tradeshow, Membership Bootcamp Orientation Training, Women In Construction and Young Leaders events offering opportunities for members to network with other members.

CONTRACT DOCUMENTS:

Complete supply of CCDC Documents, CCA Contract Forms and other document requirements at a discounted rate.

AFFIDAVIT SERVICES:

General Manager, Administrative Assistant & Plans Room Assistant are all Commissioners of Oaths. Service is free of charge to members.

MEMBERSHIP TRADE DIRECTORY:

A Membership & Trade Directory containing the names of all the Members and their trade listing. These guides are widely distributed to architects, engineers, associations, municipalities and purchasers of construction services.

EDUCATIONAL SERVICES AND SEMINARS:

Throughout the year, the NCA arranges many educational seminars as well as online and in-class safety training courses pertinent to our industry.

GOLD SEAL:

This national certification program for the construction industry provides recognition that an individual has a base level of competency as established by fellow industry practitioners. To a company, it provides a national standard of recognition for recruitment and advancement purposes. The Gold Seal Certification Program is available to NCA members.

PROVINCIAL REPRESENTATION AND LOBBYING:

With NCA membership, you automatically receive membership to The Council of Ontario Construction Associations (COCA) is a federation of construction associations; the largest and most representative group of ICI and heavy civil construction employers in Ontario. COCA brings the concerns of members to the attention of Queen's Park and is committed to working with government to ensure that Ontario's legislative landscape is one in which our industry can grow and prosper.

FEDERAL REPRESENTATION AND LOBBYING:

With NCA membership, you automatically receive membership to the Canadian Construction Association (CCA) receiving direct information on federal affairs affecting you and your business. CCA's vision is to build Canada with ethics, skills and responsibility. CCA's mission is to be the national voice for the Canadian construction industry.
